

Holiday Greetings

Dear Friends,

For this year's holiday letter we wanted to let the animals speak to you. Below are just a few of the over 2500 pets that have been spayed/neutered, fed and saved because of your donations. Without you they would not be in their loving homes enriching the lives of their caretakers. Without you there would be thousands born only to end up in shelters and rescues.

Thank you for supporting our mission to help animals. Please remember us for your holiday gift giving and during the coming year. We cannot do this without you.

Sincerely ~ Donna Calkin, President and the Orange County SPCA Board of Directors
